Thank you for alerting Friends of Mark Foley of difficulties in our 1999 Mid-year report. As always, Friends of Mark Foley strives to provide the most complete and detailed report as possible. We regret that these errors occurred and appreciate your assistance in bringing the problems to our attention.

Regrettably, data entry errors attribute for the difficulties involving the three contributors noted in your communication. I have again stressed to our staff the importance of unerring data entry. We are continually reviewing our processes to ensure such mistakes are eliminated. Our records have been corrected to reflect the following - (corrections are made in bold italics)

Schedule A: Contributions from Individuals/Persons

Catherine Moore 102 Glenbrook Court Atlantis, FL 33462	Homemaker	6/29/99	\$1000.00
Receipt for: <i>Primary</i> Aggregate YTD > \$1000.00			

Catherine Moore 102 Glenbrook Court Atlantis, FL 33462	Homemaker	6/29/99	\$1000.00
Receipt for: <i>General</i> Aggregate YTD > \$2000.00			

Malcolm Bayer 138 Beacon Ln Jupiter, FL 33469	Attorney Self	6/10/99	\$1000.00
Receipt for: <i>General</i> Aggregate YTD > \$2000.00			

Furthermore, given the data entry error of establishing two separate computer records for Ms. Patricia Hendrickson, her excessive contributions were not flagged by our computer application or staff. Be assured, this is an uncommon error & one that certainly will not be repeated by our staff. Thanks to your help, we've refunded the excess amount back to Ms. Hendrickson. Our 1999 Year End report will properly reflect the refund. Please see the attached letter.

Thank you for your time and assistance. Should you have questions, please do not hesitate to contact me at (561) 630 0777.
